STEP BY STEP: How to build a colorful carpet

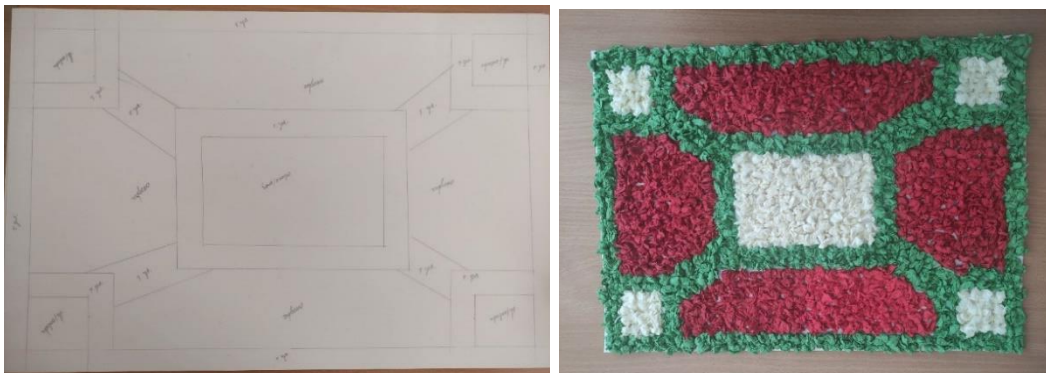

Step 1: Create a colorful carpet

Estimated time: 10 min

1. Cut the coloured napkins into 2 cm/2 cm squares.
2. Shape them like balls.

3. Stick the napkin balls with glue on the cardboard, which is pre-drawn in the shape of the carp.

It is necessary to glue the balls tightly together without the cardboard showing.

Students need to do their best to form proper flower beds.

4. Follow the contours, observe symmetry, and choose appropriate napkin colours
